

NOW HIRING:

Contract Millwright with Electrical Experience – K9 Choice Foods

K9 Choice Foods is seeking a skilled **Millwright with Electrical Service experience** to join our team on a **contract, on-call basis**. This role will support our production and maintenance operations as needed, providing expert mechanical and electrical solutions to keep our facility running smoothly.

Key Responsibilities:

- Perform mechanical installation, repair, and maintenance on production equipment.
- Troubleshoot and repair electrical systems and controls as required.
- Collaborate with operations staff to ensure timely completion of maintenance tasks.
- Adhere to safety standards and company policies at all times.

Qualifications:

- Certified Millwright with experience in industrial or manufacturing settings.
- Strong electrical troubleshooting and repair skills.
- Ability to work independently and respond promptly when called.
- Experience with food production equipment is an asset.

Contract Details:

- On-call, as-needed basis.
- Competitive contract rates.
- Work performed at our K9 Choice Foods facility in Tofield, Alberta

If you are a reliable, skilled professional ready to support a growing raw dog food production company on a flexible basis, we want to hear from you!
